Applicants who do not possess a Baccalaureate Degree and who are applying for an evaluation of academic equivalency must submit their completed application to the College by December 1 for Canadian and Permanent Resident applicants and September 1 for international applicants.

EQUIVALENCIES PROCEDURE

An application to the MTS from persons who do not possess a Baccalaureate Degree will be considered if the applicant possesses satisfactory alternate educational experience. Equivalency is demonstrated by formal postsecondary education consisting of general and specialized studies comparable to a 90-credit Baccalaureate degree. In such cases, the Dean will require evidence of readiness to proceed. The Dean's decision whether or not to accept an application is final.

Prospective applications for whom special consideration is required should submit all supporting documentation (see Admission Requirements), together with any additional assessments, transcripts, and certificates earned in lieu of a Baccalaureate Degree. A non-refundable equivalency fee of \$225 must be included. The Dean's Office will review all documentation, and where it is deemed further exploration is warranted, may assign additional requirements to test eligibility. If equivalency is granted, the applicant will be invited to the intake process, and will pay the non-refundable regular application fee.
