Remote access to University of Alberta Libraries' proxying service

St Stephen's College students and faculty are not covered by the University of Alberta Libraries' Licenses, and do not have remote access to U Alberta electronic resources (e.g. e-journals, e-books or databases). Access for St Stephen's College students and faculty will be limited to onsite access at the Library. St Stephen's students who wish to access the U Alberta library electronic resources need a CCID (Campus Computing Identification) to use the computers in the library, and will need to apply, in person at the library with photo ID, for a 'guest' CCID. Library staff will issue a temporary CCID just for the day. This service is available only to students who are able to be in attendance at the library.
