St Stephen's College—through many of its course offerings—supports students working towards professional certification by the Canadian Association for Spiritual Care/*Association canadienne de soins spirituels* (CASC/ACSS). Students seeking professional certification may need to take additional courses and training over and above the requirements of the MTS Degree Program. The onus will be on the student to consult with CASC/ACSS regarding certification categories and specifications; and to meet the expressed requirements of CASC/ACSS, both during and subsequent to their academic training.
